

You

I want to create a thumbnail like this but with my images for the 2 cards labelled as Trossard and Dier; how can I do this, are there any AI tools I can use to help me?

Copilot

Certainly! Creating custom thumbnails for your content is essential for attracting viewers. To achieve this, you can use AI thumbnail maker tools that simplify the design process. Here are a few options:

1. VEED's AI Thumbnail Maker:

- VEED.IO offers a free AI thumbnail maker that generates captivating YouTube thumbnails. You can customize professional-looking thumbnails using high-quality AI visuals and an extensive media library.
- Simply type a few words related to your content, and VEED's AI will create original images based on your text.
- Customize the generated thumbnails to match your brand and message.
- VEED also provides a full suite of video editing tools, so you can seamlessly create engaging video content using your AI-generated images

2. Fliki's AI Thumbnail Maker:

- Fliki.AI provides a free AI thumbnail maker that allows you to transform your ideas into visually compelling thumbnails.
- Customize your thumbnails using high-quality AI visuals and add custom text and graphics to grab attention and drive more clicks

3. ReCraft.AI's YouTube Thumbnail Generator:

- ReCraft.AI offers an instant design tool to increase click-through rates (CTR) on YouTube.
- Generate stunning images from scratch and add custom text and graphics that fit your style, enhancing the visibility of your videos

Choose the tool that best suits your needs, upload your images for the "Trossard" and "Dier" cards, and create eye-catching thumbnails for your content! 🤖 📌
